*O thus be it ever when freemen shall stand
Between their loved homes and the war's desolation!
Blest with victory and peace, may the heaven-rescued land
Praise the Power that hath made and preserved us a nation!
Then conquer we must, when our cause it is just,
And this be our motto, "In God is our trust!"
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave!*

To the ideals of liberty and justice for which our glorious flag stands, this senior class and student body pledges its unswerving allegiance. Because we believe in these ideals, this book is dedicated to them, as a symbol of our own personal devotion to our country and its cause.

FOOTBALL SEASON REVIEW

CATS TIE REDSKINS IN OPENER 13-13

Our Wildcats opened their season by tying the North Side of Fort Wayne Redskins 13-13 on School Field, September 12. The former State Champs were held at bay very satisfactorily by Riley. A blocked kick and an intercepted pass set up both touchdowns, one coming in the initial stanza and the other in the last.

SLICERS MAULED 27-6

Power, speed, and aerial bombs, together gave Riley a smashing 27 to 6 conference victory over Laporte in a home game on September 19. Nemeth, McDaniel, and Evans all scored. The Wildcats, after taking the kick-off drove down field and tallied. As the third period got under way Riley scored, and from there on were definitely the best team.

ADAM'S EAGLES BATTERED 26-18

Another conference victory was stowed away under our footballers' belts, as a bunch of John Adam's Eagles attempted to fight out, but losing 26-18. The game looked like it was on ice as our boys led 20-0 at the half. In the third quarter the Eagles soared to score twice, but the Wildcat regulars returning to the game broke up this spree.

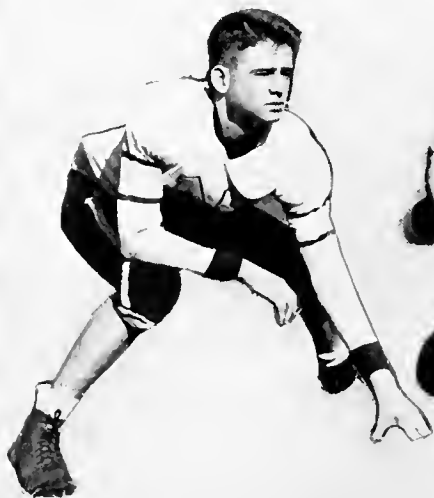

BLAZERS NOSE OUT CATS 6-0

In a close game, marked by both sides' good play, the Elkhart Blue Blazers luckily slipped by our eleven 6-0, on Rice Field, October 3. Unleashing

all their fury the Cats had a bad break which prevented their either winning or tying the game.

PANTHERS HAND RILEY No. 2 DEFEAT, 16-6

The game barely got under way before Dubicki scored after a 63-yard jaunt. Dubicki later in the game kicked a 20 yard goal. Washington also felt the sting of our fangs, as Dick Dunnuck plowed into their line, and scored. This gave Riley the distinction of being the first team to score on the Panthers. Washington scored again to put the game on ice, and defeated our Cats 16-6.

WILDCATS FIGHT TO STANDSTILL WITH BOSSE 13-13

Another tie was chalked up as our Cats journeyed the ole' South, where they met the Bosse of Evansville eleven, and tied them 13-13, on October 17.

RED DEVILS SWAMPED 37-6

Touchdown after touchdown was rung up as Riley humbled the Michigan City Red Devils by serving them free of charge, a 37-6 defeat on School field, October 25.

Michigan City saw the Wildcat power on the opening play, as Dunnuck slashed through the line

for 10 yards. Pat Sweeney on the next play ran 57 yards to score. Riley led at the half 12-6.

BEARS—BIGGEST RIVAL—TROUNCED 19-7

In a game full of passes and trick plays, our Wildcats smashed through the mighty Central Bears 19-7 to defeat our civic rival in our "big" game of the year, November 1.

The Cats took the kickoff. An exchange of punts followed, and Central, still deep in the Cats' territory, sent Rusk hurtling over the goal on a full spinner into the line. A reverse and then a lateral

brought about the extra point. Score now 7-0.

Central then kicked off. Dunnuck smashed into the line and suddenly came out of a group of players to get away for 30 yards. Nemeth threw a pass to Mamula for the touchdown and then added the point from placement. Another score in this quarter put Riley into the lead. A fumble was recovered on the Central 34. A pass, Nemeth to Derdak, set the stage for Dunnuck's yard smash over tackle which gave us another touchdown to lead 13-7 at the half.

Nemeth tossed to Mamula for the final score to

give our Wildcats a 19-7 victory over the Central bears.

CAVEMEN "SLIDE" TO A 12-0 VICTORY

In the snow, slush, mud, wet, and general sloppiness of Lupper Field, Mishawaka, our Cats were felled by the Cavemen 12-0 on November 7.

WILDCATS TRIM LIONS 50-0

The West Siders representing South Bend Catholic, rated as a strong outfit, were given an unmerciful nailing by our Cats to bring our football season to an end, with a lopsided 50-0 victory last November 15.

Basketball

Preceding the 1941-42 basketball season hopes were high that Riley might have a successful season. In fact the cagers themselves were aiming at a new record, that would mean 16 wins and only 4 losses. The Wildcat cagers fell short of this record by 2 games ending their regular season with 14 wins and 6 losses. A definite record was set by the Cats, though, in high scoring when they ran up, 55 and 60 points on Nappanee, Walkerton, and Woodrow Wilson in three consecutive games. They also set a defensive record in the Nappanee game when they prevented the Bulldogs from scoring for the first 2 quarters and half the third while running up a score of 33 to 0 before the Bulldogs hit the scoring trail.

The success of this season hinged around the fine coaching of Robert McCarnes and Wayne Wakefield, of the Varsity and Reserve squads respectively whose co-operation led to the second best record in a decade of Riley Basketball. Mr. McCarnes had a great deal of trouble as the season started, through the late entrance of the football players and the slow conditioning of the other boys. Mr. Wakefield acting as Reserve team coach led his boys to the "B" team Conference Championship losing only to No. Side of Ft. Wayne in conference play and to Logansport, the Big Ten "B" Champions, in 18 games.

The team led off the season by splitting their openers in the absence of the football men as they defeated Greensburg 28-25 and on the following night fell prey to Madison Township's Panthers 34-27. The following week-end the Cats made a couple of trips as they continued on the .500 basis by defeating Nappanee 32-29 and losing their first conference game to North Side, 29-20. The Cats then fell below .500 for the first time this season by losing to Wakarusa 33-23, but came back to even their N.I.H.S.C. record by taking Dutch Struck's Cavemen 30-24. Following the holidays the Cats took on Central and when trailing by the score of 28-15 they turned over a new leaf and fought their way up to a close 32-28 loss.

With a season record of 3 wins and 3 losses the turning point of the season came as Washington fell 35-26 and LaPorte 38-17, and, then handed

the only defeat of the year to Culver High's Indians 35-28. At this point our boys faltered, 45-36 in front of the Elkhart Blue Blazers.

Back on the victory path Mishawaka fell 40-24, Plymouth went down 38-31, Goshen was sunk 28-25, and Michigan City was taken in an overtime battle 34-32. The day following the Michigan City game the Wildcats made a 200 mile journey to Richmond where they were defeated 31-30 by the 5th ranked team in the state.

Logansport next felt the axe 42-40 and the regular season closed with the 50-11 triumph over Nappanee.

Next came the Sectional where the Cats took Walkerton 55-20, then the Cats out-played Lloyd and took Wilson 60-37. Then came the calamity in the semi-final game when the Cats just couldn't hit and North Liberty's Shamrocks could and the Cats fell 22-17.

THE RESERVES

The 1941-1942 "B" Squad under the guidance of Wayne Wakefield presented Riley with the best record of wins and least number of defeats ever turned in by the younger "Cats" in the history of this school.

Strangely enough, the scoring was well distributed among the five regulars with Mier and McDaniels holding a slight higher point percentage.

Thus, with a record of 16 wins and only 2 losses, the "Kittens" should provide Riley with a very good team, come next fall.

CROSS COUNTRY

Mr. Wakefield's Cross Country Team ended their 1941 season with an even break of 4 wins and 4 losses. Three teams were met on two occasions each. The team won two matches each from South Bend Central and Goshen, but lost each time they ran

against both Benton Harbor and Elkhart. Mr. Wakefield was pleased with the team's showing, particularly with the race Norman Davis ran against Goshen here, when he broke the local course record. The old record was made several years ago.

Spring Sports

The tradition of the Physical Education Department at Riley seems to be "Good Health Today for the Preservation of the Democracy of Tomorrow." Although there is a great deal more said about the things that boys are doing in the fields of sports, don't think for a moment that the girls aren't doing their share to uphold this tradition. Here are just a few of the things the girls are doing to help build better citizens of tomorrow.

G.A.A.

One of the most popular clubs at Riley is the G.A.A. Under the capable leadership of Miss Snyder and its officers, it has done much towards attracting the attention of girls to the field of sports. In order to remain in the club, a girl must participate in at least three of the four major sports—basketball, softball, volley-ball, and track, hockey being eliminated due to the lack of playing space. The minor sports which also created a great deal of interest are, badminton, and table tennis. In order to get a Wildcat, a girl must earn 150 points, for the S.B. 250 points, and for the state plaque, 360 points. G.A.A. teaches a girl not only how to get along with others, but also one of the most important lessons of life—"always be a good sport, whether you win or lose."

BASKETBALL

Soon after the girls' return from Christmas vacation, there is such a commotion in the girls' locker room, that it can only denote one thing. It's time to sign up for the favorite major sport, basketball.

At last, here's a way to let off a little of that steam that has accumulated during two weeks of carefree vacation. Basketball is a means of doing this, and believe me, if you have ever seen a girls' basketball game, you know what we mean. All the girls who sign up divide themselves into teams, and the season begins. At the end of the season there is a special day set aside for the final tournament. On this afternoon, all girls who belong to a basketball team are excused from school. The winner of the finals of this tournament gets to share the crown with the winning team of the season games. This year the season winner and also the tournament winner, was an excellent team under the captaincy of Mildred McFadden.

VOLLEY BALL

Next to basketball in popularity, in the major sports field, is volley ball. This year's varsity volley ball team was composed of: Beverly McCormican, Dorothy Metzger, Doris O'Donnell, Mildred McFadden, Goldie Viscik, Marjorie Smith, Mary Rist, Helen Smith, Mary Ellen Keyes, Carolyn Steele, Louise Tschida, Helen Raissle, and Germaine Lockmondy.

BADMINTON

The badminton games were held during gym classes. The semi-finals and finals were held during noon hour. The finals were played by two teams composed of Mildred McFadden-Helen Smith, and Beverly McCormican-Dorothy Metzger, with Beverly and Dorothy being acclaimed champs for this year.
